DETAILED ACTION

1. In view of the Decision by the BPAI filed on October 31, 2006, PROSECUTION IS HEREBY REOPENED. A new grounds of rejection is set forth below.

To avoid abandonment of the application, appellant must exercise one of the following two options:

(1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,

(2) initiate a new appeal by filing a notice of appeal under 37 CFR 41.31 followed by an appeal brief under 37 CFR 41.37. The previously paid notice of appeal fee and appeal brief fee can be applied to the new appeal. If, however, the appeal fees set forth in 37 CFR 41.20 have been increased since they were previously paid, then appellant must pay the difference between the increased fees and the amount previously paid.

A Supervisory Patent Examiner (SPE) has approved of reopening prosecution by signing below:

2. The rejections of record to claims 21 – 24 are withdrawn as set forth in the BPAI decision.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 19 – 24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Art Unit: 1771

5. The phrase “a fiber with poor dye-affinity such as PBO” in claims 19 – 24 is indefinite. PBO is the only such fiber disclosed in the original disclosure. Further, the cited prior art does not disclose or suggest the “due-affinity” of PBO or other fibers, much less disclose or suggest what “poor dye-affinity” encompasses. And the original disclosure fails to define the relative term “poor dye-affinity” or provide any guidance as to how to determine the scope of this term. Accordingly, the scope of the claims appears to be indeterminate or indefinite. *See Seattle Box Co., v Industrial Crating & Packing, Inc.*, 731 F.2d 818, 826, 221 USPQ 568, 574 (Fed. Cir. 1984); *Ex parte Anderson*, 21 USPQ2d 1241, 1249 (Bd. Pat. App. & Int. 1991).

Claim Rejections - 35 USC § 102

6. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
7. Claims 19 – 20 stand rejected under 35 U.S.C. 102(b) as being anticipated by Weber, Jr. et al for the reasons of record.
